GENERAL PROGRAM INFORMATION

You understand that you will be required to provide proof of enrollment from your University/College on a CCUSA form called 'Proof of Student Status' to participate on the program.
- ☐ You understand that the dates you are allowed to work at camp are dictated as follows:
 - Within the date range supplied by the US Department of State for your country
 - Within your University/College Summer break dates
- ☐ Your camp contract dates must fall within the shorter of the two date ranges (as above).
- ☐ You, the participant must be able to communicate in English at an acceptable level (evaluated by CCUSA) to be accepted onto this program and to be sponsored by CCUSA.
- ☐ You will be notified within 2 weeks of your interview if you are accepted to the CCUSA program. Notification will be via email. You will then have 2 weeks to submit all required documentation and payment. Additional costs may be incurred if you do not adhere to guidelines.
- ☐ Once accepted to the program, you should check your online CCUSA account ('Footprints') regularly for updates and important information.
- ☐ You are required to create a personal web-based email account once accepted to the CCUSA program. You cannot use a university or school email for your CCUSA account. Be sure to add CCUSA's email addresses to your address book so that information we send out does not get blocked or go to spam filters.
- ☐ You must notify CCUSA if anything changes in your online application, including but not limited to, changes to your address, phone number, email, dates of availability as well as any new skills you have gained, any new courses you have completed or any new experience with children.
- ☐ For the duration of your time on the CCUSA program you must take responsibility for returning calls and replying to emails in a timely fashion. Participants who continually fail to respond to CCUSA phone and email requests, are indicating to us that they are no longer interested in the program and will have their application cancelled.
- ☐ CCUSA is your visa sponsor and we undertake at all times to treat you with courtesy and respect. In return for this we require you to always be courteous and polite to our staff and associates. Hostile or aggressive behaviour by yourself (and/or your immediate family) will result in immediate cancellation from the program and the forfeiting of all payments.
- ☐ You, the applicant, are the only person CCUSA will liaise with in terms of your application/placement. CCUSA will not provide information about your application or program participation to parents/friends/other family, unless you are involved in a medical emergency while in the US, in which case we will contact the person you have listed on your CCUSA application as your "emergency contact."
- ☐ It is your responsibility to make sure your parents know about the program, the costs, responsibilities, and what happens if you are dismissed or leave camp.
- ☐ You must read and understand the cancellation policy and refer to it if you decide to cancel from the CCUSA program'
- ☐ At camp, you are a role model to children. Alcohol, smoking and/or drugs are not permitted at camp. Further, if you are under 21, you are not by law permitted to drink or purchase alcohol.
- ☐ You must make sure you are up to the challenge of camp life: working long hours and being away from your family and friends.
- ☐ Camps are typically rustic environments. You may be living in a platform tent or a cabin with campers and have little privacy. You may also be sharing a bathroom that is in a separate building.
- ☐ Camps usually have strict rules on technology use (mobile phones, internet, computers). You may not have regular access to WiFi or a computer.
- ☐ You have read and understood the Early Departure section of the Program Agreement, which outlines what happens if you leave camp early (by choice or by dismissal). This includes (but not limited to)- cancellation of visa & grace period, cancellation of insurance coverage.
- ☐ Please be aware that camps often Google and check the social media pages (i.e., Facebook) of potential employees when making hiring decisions. Camps may also continue to monitor the social media activity of any staff member they hire and can terminate a placement or contract at any time for posting inappropriate or objectionable material. Please ensure that any online activity you're involved in does not contain anything offensive (including pictures, videos and text).
