

Congratulations! You have completed your  
Work Experience USA 2017 interview.

## WHAT COMES NEXT?

Please read through the following list to find out what happens until you leave for the States.

You now have an official **Work Experience ID Number**. This is HU- 0\_\_\_\_\_.

You need to write this number on everything you send me from now on, mention it in the subject of every e-mail you send us. You must check your account **weekly** on Footprints: <http://footprints.ccusa.com> that is also available from [www.ccusa.hu](http://www.ccusa.hu) and make sure you confirm your visa information. You will also be notified of other important information at this Footprints site.

If you have not done it yet, keep in touch with CCUSA on Facebook:

- LIKE the **CCUSA Hungary** page ([www.facebook.com/ccusahungary](http://www.facebook.com/ccusahungary))
- JOIN the **CCUSA Hungary 2017** group on Facebook. It is voluntary but highly recommended as you can meet other CCUSA participants in this Facebook group, also occasionally CCUSA will have a chance to post notices on your wall. However, the official communication will still go through e-mail.
- LOOK FOR the worldwide group: **CCUSA Work Experience – Summer 2017**.
- ACCEPT me (**Your Interviewer**) on Facebook as a 'friend', so I can be available for future questions or problems during the process. It is not mandatory, but highly recommended by CCUSA.

### **PLACEMENT OPTION –**

- a) if you are on the **Regular Placement** option, you will be able to choose either to go with a friend or have accommodation provided by your employer
- b) if you want to go with the **Preferred Placement option**, you will not be able to choose housing and placement with friends, but you can make a preference list of the employers you want to work for at the Employer Directory on Footprints. You can do this from 2017 January.

In either case please fill out the Positions and Skills Addendum on Footprints!

- 1) We will have a Skype job fair with the Boardwalk Restaurant in Put-In-Bay, OH (<http://www.the-boardwalk.com/>) on the 27<sup>th</sup> of January, 2017. It is a very popular employer, so if you would like to participate, please make yourself available on these dates and let us know ahead of time! (Be prepared that participating doesn't automatically mean that you will get placed there!)
- 2) Remember the **Deadlines!** Your complete application (full paperwork, full payment) must reach our US office by 1<sup>st</sup> March for the Placement Option. If your application arrives after this date, you will only be accepted as an Independent Option applicant.
- 3) Your application will be sent to the States, where our office in California will send it out to the employers. The first employer that agrees to hire you is where you will go for the summer. This process can take anywhere from 3 weeks, up to 31<sup>st</sup> May, 2017, so you must **be patient**.
- 4) It is obligatory to create a 30 sec long **video** introducing yourself and upload it on Footprints. This is a part of your application, it will help you get placed, so take it seriously!
- 5) Once you are placed with an employer, we will send you an official **Job Information Form** with the name, address, telephone number, and e-mail address of your future employer or you can download the Participant Job Information Form from your Footprints that you can find under 'My placement' section. Once you are accepted, you must send us the **signed Job Information Form within 5 days** by post or you may bring it in personally to the Budapest office (because your signature must be the original), otherwise the offer may be terminated. Remember - you are not placed officially at that employer until we receive the signed Job Information Form!
- 6) We have placed 100% of all Hungarian participants. But please, remember: A placement is **not guaranteed**. We will try our best to find you a job that matches your own skills and interests, so that you can have a great summer. But the final decision is up the employer. If we cannot find you a placement by 30 June, 2017, you will get a full refund of all fees paid to CCUSA.

### **INDEPENDENT OPTION -**

- 1) It is preferable that you already have a **signed Job Offer Form** from the company you contacted in the US. Make multiple copies of this and **send one to us along with other paperwork as soon as possible**. This job offer form will be vetted by the US office so make sure that all the information will be clearly readable. You might also need to show a copy of this Job Offer to the US Embassy when you apply for your visa. (If you do not have a signed job offer form at the moment but you would like to get the €100 Early bird discount, you may continue your application, but your most important task is to contact employers again and again until you get a job. To help you, we created a map of past employers <http://www.ccusa.hu/PROGRAMJAINK/Work-Experience-USA/AzIndependentOpci%C3%B3> you can find this on our website under the WEUSA/Independent opció)
- 2) Once you have chosen an employer, please inform the other companies you contacted that you are no longer interested in their positions. This allows the employer to fill those positions with other applicants who are still looking for a job. Remember – you should only have **ONE employer waiting for you** to arrive this summer!
- 3) Concerning the working dates on your job offer, please make sure that they will not be outside your university break dates!
- 4) Your job offer needs to be verified. It means that CCUSA will check the employer and the position, and they MUST

**EVERYONE -**

1) You may qualify for an Early Bird Discount (€100) if you provide all the necessary documents (signed program agreements, passport photo, passport copy, student status confirmation form, interview checklist, video uploaded to Footprints), and paid the full program fee by 1<sup>st</sup> December, 2016.

2) After placement, you **MUST contact your employer** immediately, and ask them for 2 important things:

A) A detailed **description of your job** this summer. Some employers may not know exactly yet, but they should already have some idea of where they want you to work. Besides your position, ask your employer about your **working hours per week**.

B) A detailed **description of the work place**, its **rules**, and anything else they can tell you about the area of the US you will be staying in for the summer. You should also ask about **employee housing** if you are interested in it - space is usually limited, so contact them as soon as possible. You can also ask about possible chance for **overtime** or a **second job in the area**.

Most companies will automatically send you a placement package with all this information enclosed, but call or email to make sure! If you have tried all the possible methods of contacting your employer, and you still don't get an answer, please call us and we will try to help. But we want you to hear from your employer before you depart for the States!

3) After you have **paid all your fees by credit card or bank transfer** and sent us the bank confirmation and our US office accepted your application, CCUSA will check and verify your employer and position (automatic with the placement option). Be patient, because it can take weeks up to 6 weeks! When it is verified, your DS 2019 form will be printed sent to our office. This time, we will send you the visa application instructions (how to fill out your visa application) via email. Once you receive it, you need to fill out all the forms, and bring everything back to us **as soon as possible**, including your **VALID** passport. We will take your application into the American Embassy and apply for your visa. All applicants will be required to have a personal interview with the US Embassy, in following weeks. You will receive your passport and visa from the CCUSA office on May 14<sup>th</sup>, 2017.

4) After you are hired, **go and get your Police Check (Hatósági Erkölcsi Bizonyítvány)** from your local post office, it will cost about 3,100 HUF. Please fill it out for all categories. Once you receive it from the Ministry, you must provide a copy of it right after your placement and **take the original with you to camp**. If this document not received by May 14<sup>th</sup> 2017 you will incur a non-refundable €25 sub-charge.

5) On **Sunday, May 14<sup>th</sup>, 2017**, we will have the **Final Orientation Meeting** in the Budapest office. You are required to attend this meeting! If you don't come, your visa will be cancelled. You will meet all the other participants who are going to the States this summer, and we will give you last minute information on visa rules, changes, flights and insurance updates.

6) Please remember that after you got your visa, and before you leave to the States in June, you have to book your flight for yourself and upload ALL flight information to your Footprints account and email [weusa@ccusa.hu](mailto:weusa@ccusa.hu) so that we can set your insurance dates. If this is not done by May 14<sup>th</sup> 2017 you will incur a non-refundable €25 sub-charge.

7) You are responsible for all travel costs associated with getting to your work site, and all living expenses throughout the summer. Thus, you should arrive with no less than \$1500 USD available on a credit card and also some cash.

8) You **MUST validate your visa** as soon as you have entered the United States and do a **check-in every 30 days**. Failure to do so can result in automatic termination of your visa! You are only able to work during the dates that are available on your Footprints, at the visa section. After you finish working, you have some free time to travel around the US! You must leave the US and be back home for the FIRST teaching day!!! You are responsible for all costs associated with this, including the extension of your insurance (3,2€/day – Economy). The insurance is valid only for 3 months, starting on the day of your departure.

9) At the end of your travels, when you fly back to Budapest and return home, you **MUST send us your Return Flight Boarding Pass and your DS-2019 Form**. We have to return these to the American Embassy, to prove that you have returned home to Hungary. If you don't, we must report you to the Embassy as “missing” and in violation of your visa.

10) Please read through the **Program Agreement** for all details concerning the **30-day check in**, the Refund Policy if you need to cancel from the program prior to your departure to the US. If you have any other questions regarding any of the above information, or anything else about the program, please contact me immediately. Until then, take care and start preparing for the **Best Summer of Your Life!**

Congratulations! You have completed your  
Work Experience USA 2017 interview.

## WHAT COMES NEXT?

Please read through the following list to find out what happens until you leave for the States.

You now have an official **Work Experience ID Number**. This is HU- 0\_\_\_\_\_.

You need to write this number on everything you send me from now on, mention it in the subject of every e-mail you send us. You must check your account **weekly** on Footprints: <http://footprints.ccusa.com> that is also available from [www.ccusa.hu](http://www.ccusa.hu) and make sure you confirm your visa information. You will also be notified of other important information at this Footprints site.

If you have not done it yet, keep in touch with CCUSA on Facebook:

- LIKE the **CCUSA Hungary** page ([www.facebook.com/ccusahungary](http://www.facebook.com/ccusahungary))
- JOIN the **CCUSA Hungary 2017** group on Facebook. It is voluntary but highly recommended as you can meet other CCUSA participants in this Facebook group, also occasionally CCUSA will have a chance to post notices on your wall. However, the official communication will still go through e-mail.
- LOOK FOR the worldwide group: **CCUSA Work Experience – Summer 2017**.
- ACCEPT me (**Your Interviewer**) on Facebook as a 'friend', so I can be available for future questions or problems during the process. It is not mandatory, but highly recommended by CCUSA.

### **PLACEMENT OPTION –**

- a) if you are on the **Regular Placement** option, you will be able to choose either to go with a friend or have accommodation provided by your employer
- b) if you want to go with the **Preferred Placement option**, you will not be able to choose housing and placement with friends, but you can make a preference list of the employers you want to work for at the Employer Directory on Footprints. You can do this from 2017 January.

In either case please fill out the Positions and Skills Addendum on Footprints!

- 1) We will have a Skype job fair with the Boardwalk Restaurant in Put-In-Bay, OH (<http://www.the-boardwalk.com/>) on the 27<sup>th</sup> of January, 2017. It is a very popular employer, so if you would like to participate, please make yourself available on these dates and let us know ahead of time! (Be prepared that participating doesn't automatically mean that you will get placed there!)
- 2) Remember the **Deadlines!** Your complete application (full paperwork, full payment) must reach our US office by 1<sup>st</sup> March for the Placement Option. If your application arrives after this date, you will only be accepted as an Independent Option applicant.
- 3) Your application will be sent to the States, where our office in California will send it out to the employers. The first employer that agrees to hire you is where you will go for the summer. This process can take anywhere from 3 weeks, up to 31<sup>st</sup> May, 2017, so you must **be patient**.
- 4) It is obligatory to create a 30 sec long **video** introducing yourself and upload it on Footprints. This is a part of your application, it will help you get placed, so take it seriously!
- 5) Once you are placed with an employer, we will send you an official **Job Information Form** with the name, address, telephone number, and e-mail address of your future employer or you can download the Participant Job Information Form from your Footprints that you can find under 'My placement' section. Once you are accepted, you must send us the **signed Job Information Form within 5 days** by post or you may bring it in personally to the Budapest office (because your signature must be the original), otherwise the offer may be terminated. Remember - you are not placed officially at that employer until we receive the signed Job Information Form!
- 6) We have placed 100% of all Hungarian participants. But please, remember: A placement is **not guaranteed**. We will try our best to find you a job that matches your own skills and interests, so that you can have a great summer. But the final decision is up the employer. If we cannot find you a placement by 30 June, 2017, you will get a full refund of all fees paid to CCUSA.

### **INDEPENDENT OPTION -**

- 1) It is preferable that you already have a **signed Job Offer Form** from the company you contacted in the US. Make multiple copies of this and **send one to us along with other paperwork as soon as possible**. This job offer form will be vetted by the US office so make sure that all the information will be clearly readable. You might also need to show a copy of this Job Offer to the US Embassy when you apply for your visa. (If you do not have a signed job offer form at the moment but you would like to get the €100 Early bird discount, you may continue your application, but your most important task is to contact employers again and again until you get a job. To help you, we created a map of past employers <http://www.ccusa.hu/PROGRAMJAINK/Work-Experience-USA/AzIndependentOpci%C3%B3> you can find this on our website under the WEUSA/Independent opció)
- 2) Once you have chosen an employer, please inform the other companies you contacted that you are no longer interested in their positions. This allows the employer to fill those positions with other applicants who are still looking for a job. Remember – you should only have **ONE employer waiting for you** to arrive this summer!
- 3) Concerning the working dates on your job offer, please make sure that they will not be outside your university break dates!
- 4) Your job offer needs to be verified. It means that CCUSA will check the employer and the position, and they MUST

**EVERYONE -**

1) You may qualify for an Early Bird Discount (€100) if you provide all the necessary documents (signed program agreements, passport photo, passport copy, student status confirmation form, interview checklist, video uploaded to Footprints), and paid the full program fee by 1<sup>st</sup> December, 2016.

2) After placement, you **MUST contact your employer** immediately, and ask them for 2 important things:

A) A detailed **description of your job** this summer. Some employers may not know exactly yet, but they should already have some idea of where they want you to work. Besides your position, ask your employer about your **working hours per week**.

B) A detailed **description of the work place**, its **rules**, and anything else they can tell you about the area of the US you will be staying in for the summer. You should also ask about **employee housing** if you are interested in it - space is usually limited, so contact them as soon as possible. You can also ask about possible chance for **overtime** or a **second job in the area**.

Most companies will automatically send you a placement package with all this information enclosed, but call or email to make sure! If you have tried all the possible methods of contacting your employer, and you still don't get an answer, please call us and we will try to help. But we want you to hear from your employer before you depart for the States!

3) After you have **paid all your fees by credit card or bank transfer** and sent us the bank confirmation and our US office accepted your application, CCUSA will check and verify your employer and position (automatic with the placement option). Be patient, because it can take weeks up to 6 weeks! When it is verified, your DS 2019 form will be printed sent to our office. This time, we will send you the visa application instructions (how to fill out your visa application) via email. Once you receive it, you need to fill out all the forms, and bring everything back to us **as soon as possible**, including your **VALID** passport. We will take your application into the American Embassy and apply for your visa. All applicants will be required to have a personal interview with the US Embassy, in following weeks. You will receive your passport and visa from the CCUSA office on May 14<sup>th</sup>, 2017.

4) After you are hired, **go and get your Police Check (Hatósági Erkölcsi Bizonyítvány)** from your local post office, it will cost about 3,100 HUF. Please fill it out for all categories. Once you receive it from the Ministry, you must provide a copy of it right after your placement and **take the original with you to camp**. If this document not received by May 14<sup>th</sup> 2017 you will incur a non-refundable €25 sub-charge.

5) On **Sunday, May 14<sup>th</sup>, 2017**, we will have the **Final Orientation Meeting** in the Budapest office. You are required to attend this meeting! If you don't come, your visa will be cancelled. You will meet all the other participants who are going to the States this summer, and we will give you last minute information on visa rules, changes, flights and insurance updates.

6) Please remember that after you got your visa, and before you leave to the States in June, you have to book your flight for yourself and upload ALL flight information to your Footprints account and email [weusa@ccusa.hu](mailto:weusa@ccusa.hu) so that we can set your insurance dates. If this is not done by May 14<sup>th</sup> 2017 you will incur a non-refundable €25 sub-charge.

7) You are responsible for all travel costs associated with getting to your work site, and all living expenses throughout the summer. Thus, you should arrive with no less than \$1500 USD available on a credit card and also some cash.

8) You **MUST validate your visa** as soon as you have entered the United States and do a **check-in every 30 days**. Failure to do so can result in automatic termination of your visa! You are only able to work during the dates that are available on your Footprints, at the visa section. After you finish working, you have some free time to travel around the US! You must leave the US and be back home for the FIRST teaching day!!! You are responsible for all costs associated with this, including the extension of your insurance (3,2€/day – Economy). The insurance is valid only for 3 months, starting on the day of your departure.

9) At the end of your travels, when you fly back to Budapest and return home, you **MUST send us your Return Flight Boarding Pass and your DS-2019 Form**. We have to return these to the American Embassy, to prove that you have returned home to Hungary. If you don't, we must report you to the Embassy as “missing” and in violation of your visa.

10) Please read through the **Program Agreement** for all details concerning the **30-day check in**, the Refund Policy if you need to cancel from the program prior to your departure to the US. If you have any other questions regarding any of the above information, or anything else about the program, please contact me immediately. Until then, take care and start preparing for the **Best Summer of Your Life!**

9) At the end of your travels, when you fly back to Budapest and return home, you **MUST send us your Return Flight Boarding Pass and your DS-2019 Form**. We have to return these to the American Embassy, to prove that you have returned home to Hungary. If you don't, we must report you to the Embassy as “missing” and in violation of your visa.

10) Please read through the **Program Agreement** for all details concerning the **30-day check in**, the Refund Policy if you need to cancel from the program prior to your departure to the US. If you have any other questions regarding any of the above information, or anything else about the program, please contact me immediately.
