

PRACTICAL TRAINING USA & INTERN USA

OFFERING YOUNG ADULTS THE OPPORTUNITY TO LIVE, WORK AND PLAY IN THE USA

INTERN IN THE USA

★☆☆ PRACTICAL TRAINING USA

Practical Training USA is designed to allow foreign professionals to come to the United States to gain exposure to U.S. culture and receive training in U.S. business practices in their chosen occupational field. Departure are year round and the visa can be from 3 - 18 months in length.

You must have a degree or professional certificate from University, College or TAFE and at least one year of prior related work experience in your occupational field outside the United States OR five years work experience in the occupational field.

★☆☆ INTERN USA

Intern USA is designed to allow university, college or TAFE students or recent graduates to come to the United States to gain exposure to U.S. culture and receive hands-on experience in U.S. business practices in their chosen occupational field. Departure are year round and the visa can be from 3 - 12 months in length.

You must be currently enrolled in and pursuing studies in a foreign degree or certificate-granting post-secondary academic institution, outside the US, and taking an approved gap year off (University documentation required); OR have graduated from such an institution no more than 12 months prior to your internship program start date.

★☆☆ WORK CATEGORIES

These programs are year-round, and you may work in any state, on a CCUSA approved training or internship program, in the following occupational categories:

- Hospitality and Tourism (maximum of 12 months)
- Information Media and Communications
- Management, Business, Commerce and Finance
- The Sciences, Engineering, Architecture, Mathematics and Industrial Occupations

We typically require at least two months before you wish to begin your training program, to allow for interview and visa processing time. Sometimes the process can take longer as your host company works on a viable training plan

★☆☆ PROGRAM OPTIONS

Independent Option

You are responsible for finding a host company to offer you a training program in one of the approved categories. Once a company is located and the information given to CCUSA, we will contact the company to verify their suitability. We will review their obligations and determine if the training program meets the appropriate requirements.

Placement Option

With the placement option, you would apply for one of CCUSA's approved Training or Intern programs with our list of employers. You would submit your CV/Resume, completed application including references along with the placement fee. If accepted to the program, CCUSA will forward your application to the host company and the host company would set up an interview. If you are offered the training program, CCUSA would sponsor you and guide the host company through the visa process.

★☆☆ PLACEMENT EMPLOYERS

Visit <https://jobs.ccusa.com/ptin/> for a list of employers who hire from 4-18 months with various start dates throughout the year. These links include details about salary, housing, location and more.

★☆☆ ELIGIBILITY

There are a number of requirements for you to be eligible for these programs and the visa. Ideally you will have a degree/certification or be a current student in the field you are seeking to participate in. For the Intern program, you can only participate within 12 months of graduating.

For the Practical Training program, if you do not have a degree, 5 years work experience in the field may suffice.

It's that easy!

You will also need to apply for the visa to allow you to work legally in the USA. As your visa sponsor CCUSA will assist you through this entire process and our experts will guide you through every step.

Apply online at www.ccusa.hu/. Once your application is completed and program fees paid, we will arrange a personal interview to find out more about you, your skills and experience. It's that easy!

★☆☆ BUDGET

The total program fees depend on the program and length of program you are looking for in the USA. Please contact your local CCUSA office to discuss. You will also need to consider the following costs when finalizing your budget: Visa costs, proof of funds, police background check, flights, insurance and living expenses in the USA (rent, food, spending money). We make things simple and affordable.
